

OUR FUTURE

VIRTUAL CAREERS FAIR

Inspira Virtual Careers Fair for year 11 pupils, 20th October, 1.30 - 6.30pm

Register here:

<https://www.cumbriacareersfair.co.uk/>

The Our Future Virtual Careers Fair is predominantly aimed at Year 11 students to help them make informed choices about their future careers and their next steps.

The Careers Fair will have five main zones: Training Providers, FE Colleges, Sixth Form, Employers, and a main lobby area where young people and their parents or carers can access impartial careers information, advice and guidance.

The event provides you with an exciting opportunity to meet employers, apprenticeship and training providers, colleges, sixth forms, and North West HE provision, all in one place.

There will be up to 150 exhibitors, and it is anticipated 4500 young people from all over the county will visit throughout the duration of the event.

Workshops:

Throughout the duration of the Careers Fair there will be three workshops/panel discussion with Q&A for students to take part in, these are:

- 2.30 - 3pm** - **Labour Marketing Information** (hosted by Cumbria Careers Hub)
- 5.30 - 6pm** - **Your options after year 11** (hosted by Inspira)
- 6 - 6.30pm** - **How to stand out from the crowd** (hosted by Inspira)

Each session will be 'live' at the time allocated and will then be available on demand for six months after the event closes.
