

Summer Challenge Booklet

Welcome to your summer challenge! Complete as many challenges as you can over the holidays. You will earn an achievement point for each challenge you complete. Bring this booklet back with you in September to claim your points and show off your summer of learning and fun!

Name: _____

Form: _____

Has completed _____ Summer Challengers!

Please return to the Librarian, Mrs N Jones in the LRC.
Alternatively, give to your form tutor.

Reading Challenge

Complete any of these and earn 1 achievement point for each!

 Read a book that's been made into a film – then watch the film. Which was better?	 Read out loud for 10 minutes to someone once a week for the summer holidays. Ask them to sign below, once you complete the task.	 Visit your local library and borrow a book you've never heard of.
Book: Film: Which was better, and why?	1. 2. 3. 4. 5. 6.	Which Library did you visit? Do you have a library card? Which book did you borrow?

Active & Explore Challenge

Get moving and go exploring! Earn 1 point for each challenge you complete.

 Go on a walk in a local park, nature reserve, or beach.	 Plan and go on a picnic (even if it's in your garden or lounge!).	 Visit a free museum or historical site.
Where did you go? How long did it take? Describe the weather?	Where did you go? What did you eat?	Where did you go? Describe the best bits!

Maths Challenge

How many can you complete? – 1 point for each!

 Measure your height at the start of the holidays and at the end! Have you grown?	 Can you solve a suduko puzzle? Learn how to do them and solve the one below!	 Help plan a shopping trip with a budget of £10 – what did you buy?																																																																																	
Height 21 st of July: Height 1 st September: By how much have you grown:	<table border="1" data-bbox="587 586 1062 1057"> <tr><td>3</td><td></td><td>2</td><td>9</td><td>6</td><td>4</td><td>8</td><td>5</td><td>1</td></tr> <tr><td>9</td><td></td><td>4</td><td>8</td><td>1</td><td>5</td><td></td><td>7</td><td></td></tr> <tr><td></td><td></td><td>1</td><td>3</td><td>7</td><td>2</td><td></td><td>9</td><td>6</td></tr> <tr><td></td><td>4</td><td></td><td>1</td><td></td><td>9</td><td></td><td>2</td><td>8</td></tr> <tr><td>1</td><td></td><td>9</td><td></td><td>4</td><td>6</td><td></td><td></td><td>5</td></tr> <tr><td>5</td><td>2</td><td></td><td>7</td><td></td><td>3</td><td></td><td>1</td><td>4</td></tr> <tr><td>2</td><td></td><td>8</td><td>6</td><td></td><td>1</td><td>5</td><td>4</td><td>7</td></tr> <tr><td>4</td><td>1</td><td></td><td></td><td>3</td><td></td><td>2</td><td></td><td></td></tr> <tr><td></td><td></td><td>5</td><td></td><td></td><td>7</td><td>1</td><td></td><td>3</td></tr> </table>	3		2	9	6	4	8	5	1	9		4	8	1	5		7				1	3	7	2		9	6		4		1		9		2	8	1		9		4	6			5	5	2		7		3		1	4	2		8	6		1	5	4	7	4	1			3		2					5			7	1		3	What did you buy? Total:
3		2	9	6	4	8	5	1																																																																											
9		4	8	1	5		7																																																																												
		1	3	7	2		9	6																																																																											
	4		1		9		2	8																																																																											
1		9		4	6			5																																																																											
5	2		7		3		1	4																																																																											
2		8	6		1	5	4	7																																																																											
4	1			3		2																																																																													
		5			7	1		3																																																																											

Science Challenge

Start investigating and earn 1 point for each completed activity!

 Grow something from a seed and take a photo of its progress.	 Try a simple science experiment at home (e.g., vinegar + baking soda volcano!).	 Research a famous scientist and write 3 facts about them.
What seeds did you plant? How many germinated? How tall did it get?	Draw a diagram of your experiment.	Scientist: 1: 2: 3:
